Your Excellency,

I wish to express my deepest regret for the hanging of Rahim Mohammadi on 5th October 2009. And urge your Excellency to immediately halt the execution by stoning of his wife, Kobra Babaei.

Death penalty is a cruel and inhumane punishment, so I call on your Excellency to commute all stoning sentences pronounced in the Islamic Republic of Iran and not to execute any of the convicted by any other means.

I also urge Your Excellency and all the authorities of the Islamic Republic of Iran to swiftly enact a law that unequivocally bans stoning as a legal punishment and prevent any other form of death penalty against those convicted of "adultery".

Sincerely,
